Peace be upon you

I am now living away from my country however I have not traveled previously except to the minor pilgrimage in Mecca along with the family !!

The languages that I am proficient in is English

As for traveling yes I can travel but it depends on the residency laws of the country I am heading to.

As for the financial means Allah willing if my purpose is to travel for the sake of Allah it will not be a problem and depending on the circumstances of the time as I live off a regular job

As for the languages that I am proficient in they are English and my native language
And I am proficient in computers and electronics if that helps Allah willing

Do you think I will be traveling soon to who will be receiving me?

Tell them that I greet them until we meet

And peace be upon you

And Allah willing there will be success

Your brother Aba-al-Ayyubi
